FAIR PLAYERS AND LASKY CONCERN JOIN

Capital Is \$12,500,000, and None of Stock Will Be Offered to Public.

The Famous Players' Film Company and the Jesse L. Lasky Feature Play Company, two of the largest and richest companies producing motion pictures, were merged yesterday into a single corporation, which will be called the Famous Players-Lasky Corporation. It will have a capital of \$12,500,000, but it was announced none of the stock would be offered to the public.

Frederick G. Lee, President of the Broadway Trust Company, W. M. C. Demarest, President of the Baltic Film Company, represent the interests which financed the merger. They are on the Board of Directors, with Cecil B. De Mille, Daniel Frohman, Albert A. Kaufman and Emil E. Shauer, and the officers.

Adolph Zukor, President, Jesse L. Lasky, Vice President, Samuel Goldfish, Chairman of the Board of Directors; Arthur S. Friend, Treasurer, and Elek J. Ludvigh, Secretary. All except Lee and Demarest have been with the two firms.

The new corporation said it would distribute its films through the Famous Players Corporation, which had twenty-five years' exclusive contracts with the Lasky and Famous Players. The Triangle Film Corporation recently announced an agreement to affiliate with the Lasky and Famous Players, but no mention of the Triangle was made in the announcement of the new firm.

ITCHING BURNING ERUPTIONS ON BODY

Grew Worse and Went to Face. Kept Awake Most of Night. Disgusted So Could Not Go Out.

HEALED BY CUTICURA SOAP AND OINTMENT

I had some eruptions and was biting on my body and I always seemed to scratch them open and they grew worse and then went to my face. The general appearance of the breaking out was like bunches of pimplies and then my body became covered with a rash. I was kept awake most of the night by the itching and burning. A rest and bathed each time on my face so I could not go out. I then tried Cuticura Soap and ointment. I began to feel a great relief and in a short time I was entirely well. Signed Miss Florence Myers, 450 E. 5th St., New York City, July 1, 1915.

Making "Fruit-a-tives"

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good." On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 36c a box, 6 for \$2.50, trial size, 25c.
